Campaign Contact Info: \_\_\_\_\_

PAC Fundraiser: \_\_\_\_\_

Please provide any recent polling information (which will not be shared publicly) and a list of endorsements.

If elected, what committee(s) would you most like to serve on?

What are your views on changes to replace the gas tax?

Do you have a position on the Road User Charge (RUC) or other proposals to fund current and future infrastructure investment?

Do you know what the 18th Amendment is to Washington's constitution? If so, do you support the 18th Amendment protection of funds to replace the gas tax (protected funding for infrastructure)?

Do you support equalizing California and Washington's carbon costs?

How would you support promoting the truck driving profession as a stable, good-paying career option for young people?

What is your stance on independent contractor status for truck drivers?

What factors contribute to or are top priorities for supply chain resilience for Washington State?

What is your view on automated technology in commercial vehicles?

Have you ever been to a trucking terminal?

Do you know of any trucking companies in the district/state in which you are running for office?
